

CASA NA PONTE

Road map

If you ordered a rental car you will get it at the counter of Auto Turistica Faialense right beside the exit of the arrival section of the airport.

When leaving the airport take the main road to the left and follow it as shown by the blue lines on the map.

About 5 km after the village Praia do Norte watch for a sign saying "Cedros". Right after this sign you have to take a small road to your right.

Follow this road up and downhill through the little village Ribeira Funda. Keep following this road leaving the village and crossing a bigger road.

Continue straight ahead going downhill and after aprox. 300m you will find Casa na Ponte beside the small bridge.
